1. For I have not given you the spirit of fear but love, power, and a sound mind—a mind that pants after Me, a mind that is renewed by Me, through Me, to Me, through My word, through My New Covenant. I love you. I come and I bless you now.
2. I bless you with a new mind, putting off the former, cloaking yourself with the new, the former reigns no more. I reign and I reign now in newness and in freedom—My mind coming to the minds of My Priesthood of All Believers, My New Covenanted believers, My breaded and wined ones who now bread and wine each other, forgiving sins, drinking the cup, passing the cup, being the cup—My body broken to each other, My blood shed passed to each other, flowing in each other's veins. I love you.
3. In covenant, in covenant, in covenant you are with Me, with each other in My New Covenant, My body, My blood, My Me, My Me coming forth now in the Priesthood of All Believers; My Me coming forth in beauty and grace from shadows, back pews, and gutters-thought, to be released unto Me in My world, My earth as I created, as I create and I make all things new by the word of My mouth.
4. I breathe, I love, I live, and I long for the renewing of all minds to walk as Me, to walk as you have grasped, to walk in the fullness of who I am, the fullness of who you are, who I made you to be. I love you.
5. My Cross hangs empty, you now being Me. I love you. I love you. My work done, your work's in progress, by Me—My work, My work, the works of My Father, the works that I now do, the works that I now do, you walking out through Me, in Me, of Me, being Me, Me'd. I love you.
6. I give you Me, I give you My body, I give you My blood, I give you My sacrifices, I give you My forgiveness, I give you My reign, My reign, My scepter, My blood, My blood flowing in your veins. I love you. Love, love, love-ship permeating all. I love you.
7. Be Me in glory, Christ. I love you. I love you My Me'd ones which now come forth, My Priesthood of All Believers, Melchizedek'd, not afraid to be Me, not afraid to speak Me, not afraid to see Me, not afraid to operate in your mind, My mind—My mind being your mind, My mind replacing your un-renewed, fallen mind—My mind being you, you and Me, Me and you, hearts together exchanged, woven together, tapestry of beauty and blood shed for many, forgiving sins now, and you forgiving the sins of each other. I love you. Forgive, forgive, forgive. Eat, drink My body and blood. Be Me, be My body and blood—forgive, forgiving, walking, baptizing in joy and laughter. Is there anything that I have withheld?
8. Is there anything that I have withheld from you? No, no, no, a thousand times no. I have said it, I have said it, I say it, I say it, I say it again, be Me and walk Me, walk with

Me—walk on water, walk in air, see Me with no limits and see you as no limits, your mind/My mind, My mind to your mind—Me, you, you/Me, us, together, one; interwoven, tapestry-ed by the Master, the Master Designer, the work of My hands coming forth, the work of My hands coming forth in beauty, making all things new: your mind/My mind, My mind/your mind. Yes, scriptures of Me, the mind of Christ you teach, you walk, you are, you lead, you become, now, many for Me. I love you.

9. Wist not to be who you are not, seek to be only Me, Me, My fashion, My form, My pattern. And think it not robbery to be equal with Me (1) when you come as a bond servant, when you come in humility, when you come lowly and make of yourself no reputation and you become obedient to the point of death (2).

10. I rise, I rise, I arise you, into My arms, into My reign, into My reign-ship with Me. I love you. My power/your power, My reign/your reign, My walk/your walk. Walk Me and be Me to My earth, to My people who seek a leader, who seek love, who seek kindness and graciousness, elevation, attitudes of care, concern; mockers not, bleeders not; but lifters of their head, their head, their head/My head, lifters of My head. Lifters of My body you are, you have become, you will lead, and dispense many, dispersing My body, all permeable, all before Me.

11. My time comes, My time is, My time/your time, our time: now. I love you.

12. Think it not strange now the various subjects that I come, and in ways that I come to you, and that I come to you now. The ways that I speak—My diction and grammar changes, for it is not the same; I am multitudes, I am multivariate, I am multi-linear, I am multi-planer, I am impermeable, I am My blood of My new Covenant.

13. My world rocks with My heartbeat now, with the love of My creation, My craftsmanship of only Me, who at My knee, who at My knee bow and I bow before, rising them to kingship with only Me. I love you.

14. Speak not My words only before mockers that seek only to mock.

15. Speak Me, Me, what I give you, who I am, what I am, who you are—feed the hungry, feed My lambs. Feed My lambs to cliffs and elevations where they leap so easily into Me, into My arms, taking My hand, taking My words, speaking My words, walking Me, embracing Me, being Me, being My scripture, being My word, being Me in the flesh—no limits, no limits. My words say over and over "No limits." Steeds mighty (3), a people strong, the likes who have never been seen, and will never be seen again (4). I love you.

16. Quote My references, quote My verses, quote that which you study, quote the phrases I give you and where I take you—those maps which I now make, and points connect, in you, to see Me, see Me clearer, see Me clearly.

17. Maps and mappers make—in My words, of My words, of Me, revealing Me, My design, My hands, My Cross, My heart, My life that I now live, that I live in My Father, us/one, you/us, altogether—one—Trinity, Trinity-izing My Priesthood, My Melchizedek'd Priesthood of All Believers, My Priesthood of All Believers of every

nations, tribe and tongue, every color, thought high, thought low, fashion formed, designed by only Me, coming forth now in fullness, beauty, arrayed of only Me.
18. Watch Me, explosion, explosions occur, explosions mighty; the tanks rumble and the horses whinny. I have told you, I speak, I come. I've mounted and I ride and I ride now in fury and in force and I ride now with love tender and they choose, they all choose, they all choose.
19. All, Ted; they all choose. My reader, My hearer, My wonderer, My ponderer, My who wonder still if there be any truth, rightness in these words; I love you and I come and you choose, you choose if you will ride with Me or you will stay little and forfeit the ride of your life, My design.
20. I come now. Unity increases now in My body. Wisdom flows My blood freely. I love you. I give you Me. Opportunities unlocked, unleashed, pour forth the flowing coming, seeking you out to seek Me, to seek My words, to seek the flow of My words through them unleashed, unlocked, unstopped: "you to the x"-ing My body (U^{X}-ing) –thank you —you are. The exponent Me: their surrender, their submission, their obedience, their Philippians 2, their Ephesians 4, My Corinthians 5 & 2, second and first, respectively (5). I love you. I speak the way I want to speak and I come and I call all to speak; release of My words flowing mightily.
21. Now infuse the Priesthood, the Priesthood held back no longer, in power, forces of Me released, unleashed, flowing in joy and laughter, might and power, love displayed, personified of only Me. I love you.
22. Come glow, come glow with Me, grow with Me, grow with My words, grow with My Universities, come teach and seek Me, come share and teach Me, come share and learn, come share and teach, come learn and share; come model that which I come forth now in: grace and glory—My Me revealing Me, My models, My body, My blood, bread and wine flowing freely now to all, in all, through all to each other. I love you.
23. Powerful be, recant not. I love you.
Amen
